

Why you, the agent, must get into this Referral Program in a Big Way!

- 1. These are HUGE sales!**
- 2. Rarely are these sales charged back. They stick!**
- 3. You get 50% of the commissions. That is not a typo!! You are ONLY referring it!!!**
- 4. You get to count 50% of the volume (bonuses, contract raises, etc.)**
- 5. You get paid on your own participation when you do it.**
- 6. There's an endless amount of people that want this.**
- 7. The sales we've made so far are between \$12,000-\$26,000AP**
- 8. This is our future, coupled with traditional insurance sales.**
- 9. You can "hack" your agency's growth and ability to collect big bonuses.**
- 10. It's a fantastic recruiting tool to grow your agency with people that simply want to refer a few clients a month**
- 11. Our software and system are proprietary!**
- 12. This is different than anything out there...no program or dumb system for your client to buy.**
- 13. There's safety in insurance products (lawsuits, garnishments, etc.)**
- 14. You cannot lose money with these products.**
- 15. Simply Leverage your valuable time and earn huge referral fees.**
